Opening Statement: Sheriff Tucker opened with each of us looking through the packet that was prepared and turning to the written form that was requested by some board members to have to use in the case that a complaint was sent in. It was agreed by the board that this tool would be helpful.

A note from Chief Deputy Williams on training, the dates, times and whom all attended those. The last two pages of the packet were showing the “new hires” and their training.

Due to the continuation of the COVID pandemic, no checkpoints had been conducted for review.

Lastly, the floor was opened to anyone that might have a complaint or anything else to say. There were no further comments and the meeting was closed.
