**Opening Statement** – Sheriff Randy Tucker opened the meeting asking the board to review and approve the minutes from the April meeting. We then had a moment of silence for the Ridgeland Police Officer Ray Daniels who was laid to rest that day. After the moment of silence, Sheriff Randy Tucker discusses the roster of new hires, each receiving the training required and all received policy updates.

The floor was then open for any complaints received by any members of the board. No complaints were presented.

Mrs. Collier did have a question regarding if we had discussed fentanyl in the last meeting and she didn't see it in the minutes. We later determined that possibly the Sheriff did mention that when talking about a particular case and he did go on for a minute about how bad and how much fentanyl was being seen.

Meeting then was completed and closed.

**Next meeting will be October 13, 2022**
